

Educational Visits to Hasty's (Available April – October)

£7.50 per child* which includes:

- 45 minute animal feed guided by a Hasty's team member,
- Worksheets and visit guidance provided by Hasty's,
- Access to the farm for the whole day,
- Designated area for lunch

This is our standard education package, there is a Hasty's-led animal feed and then the groups are led by teachers and adults from their school, with educational boards and signage around the farm to help guide them with their worksheets.

Pre-visit guidance for adults and children, as well as a master copy of the worksheet for the adults will also be provided.

For an extra 95p per child, a workshop can be added onto the visit. This is led by a member of the Hasty's team and can cover a variety of topics and ages. If a workshop is chosen, an itinerary will be sent across to ensure you get the most from your time at the farm. A full overview of the workshops provided are laid out below.

** If you are a nursery or group with less than 10 children visiting, please contact us for pricing.*

Educational Visits to Hasty's (Available April – October)

Suitable for	Name	Curriculum Links	Description	Time needed for workshop
EYFS and KS1	The Hungry Caterpillar	KS1 Science - Animals, including humans.	This trail focuses on the life cycle of a butterfly. Finishes with a group read of the story, complete with a fruit kebab.	1 hour (40 minute teacher-led trail, 20 minute hasty's-led story)
KS2	The Pancake Trail	KS2 D&T - Cooking and nutrition	Investigate all of the ingredients needed to create a pancake, where do they come from? Finish with helping a Hasty's team member create a yummy pancake.	1 hour (40 minute teacher-led trail, 20 minute hasty's-led pancake demonstration)
EYFS & Nursery	ABC & 123	EYFS - ELG: Word reading & number	Basic farm animal meet & greet. How many sheep in the field? What are the differences between a cow and a pig?	45 minutes (Hasty's-led)

KS1-KS 2	Omnivores, Herbivores and Carnivores.	LKS2 Science - Animals, including humans	What type of animals live at Hasty's? What do they eat? Where are they from? How else can we classify animals? (Mammals, birds etc)	1hr 30 (Hasty's-led)
EYFS – KS1	Senses on the farm	EYFS - ELG: The Natural World. KS1 Science - Animals, including humans.	Discovering animals using our senses - What can we see? What can we hear? What can we smell? Taste can also be included for an extra cost (sausages, eggs etc)	45 minutes (Hasty's-led)
KS1 – KS2	Can I have a pet pig?	KS1 & LKS2 Science - Animals, including humans.	What do animals need to be looked after? How do they differ from a pet? Comparison between pigs and guinea pigs.	1hr 30 (Hasty's-led)
EYFS – KS1	Meet the farmer	EYFS - ELG: People, Culture and Communities. KS1 - English, Geography, History	An opportunity to meet one of the farmers at Hasty's, find out about their job and ask them questions.	30 minutes (Hasty's-led)

KS3, KS4, FE	Hasty's as a business	Various links throughout business curriculum.	See how Hasty's operates as a business, what needs to be considered (staff roles, legal, licenses). Opportunity to visit Millers Barn Golf Park too to compare how they differ. Can also be used as an opportunity to create a case study on what extra business they would open here.	1hr 30 (Hasty's-led)
KS3, KS4, FE	The art of Hasty's	Various links throughout art curriculum.	Discover Hasty's as a focus for art and photography, brief introduction to the farm and an 'encounter' with an animal of your choosing followed by the opportunity to set up cameras or easels.	45 minutes (Hasty's-led)
KS1 - KS2	Discovering nature	KS1&KS2 - Working scientifically, plants & animals, including humans.	Discover the different nature around the farm – what to look for? How to identify? How to record and report.	1hr 30 (Hasty's-led)

Educational Roadshow from Hasty's (Available November – March)

Members of the Hasty's team will bring the farm to you! Enjoy a meet and greet with some of our animals, as well as the opportunity to ask any questions you may have around life on the farm. We can cater for one class or the whole school by implementing an allocated time slot for each class.

The standard session is 10:30-11:30, however, this may change depending on the number of children participating and the type of visit required. If interested in this package, please get in touch and we can discuss the timings and do our best to suit your needs.

Prices start from £120

Upgrade your visit to a full day with some optional extra workshops, price varies.

Educational Roadshow from Hasty's (Available November – March)

Suitable for	Name	Curriculum Links	Description
All ages	All about animals	EYFS - ELG: The Natural World. KS1 & LKS2 Science - Animals, including humans.	What type of animals live at Hasty's? What do they eat? Where are they from? How else can we classify animals? (Mammals, birds etc)

All ages	Senses on the farm	EYFS - ELG: The Natural World. KS1& LKS2 Science - Animals, including humans.	Get stuck in as we discover a variety of different items from the farm. Some will be soft, some rough, see if you can guess what some of these items are as we have a sensory-focused session.
